ATTORNEY DOCKET NO. 04159.0001U3
APPLICATION NO. 09/702,094

Applicant believes that this Information Disclosure Statement is filed in a timely manner pursuant to 37 C.F.R. § 1.97(c)(1), in that it is being filed before the mailing date of any of a final action under 37 C.F.R. § 1.113, a notice of allowance under § 1.311, or any action that otherwise closes prosecution in the application. Accordingly, Applicant makes the statement specified in § 1.97(e).

The undersigned hereby certifies that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Therefore, Applicant requests that the Examiner consider the cited documents and make the same of record in the prosecution of this application (U.S. Pat. App. No. 09/702,094).

No fee is believed due; however, the Commissioner is hereby authorized to charge to Deposit Account No. 14-0629 any additional fees that may be required, or to credit to the same account any overpayment of fees.

Respectfully submitted,
